SOCIALISM'

Richardson So Calls Attorney **Darrow's Closing Speech**

'ENOUGH TO HANG ANY MAN"

Richardson and Nugent Have Been Dropped From the Defense of Moyer Because They Won't Stand for Socialism in Trial.

DENVER, August 2.- The News today says that Attorney E. F. Richardson of Denver, who was one of Haywood's counsel in the famous trial at Boise, has withdrawn from any further connection with the defense of officials and others of the Western Federation of Miners in suits now pending before the Idaho courts. He is quoted as saying That he will not work with Clarence Darrow the Chicago lawyer, associated with him in the case, any longer.

"The whole sum and substance of the matter is that I cannot endure Darrow's methods," said Richardson, "I do not sanction Socialism, at least not when it is coupled with the trying of a legal suit, especially when that case is a murder case and means a man's life. Darrow's closing speech in the Haywood trial was rank. It was enough to hang any man regardless of his innocence or guilt."

The news says that advices from Boise, received last night, are to the effect that Attorneys Richardson and Nugent had been dropped from further connection with the remaining cases and that Darrow had been given full charge.
